Ægte DYMO LabelWriter-etiketter er en effektiv og omkostningseffektiv løsning til alle dine behov for post, forsendelse og organisering. Ved at bruge direkte termisk udskrivningsteknologi, der udskriver uden blæk eller toner, får du mere mærkning og mindre rod med blæk. LW-etiketter leveres på ruller med forudskårne etiketter, hvilket gør det nemt at udskrive én etiket eller hundreder uden besværet med ark, spild eller fastklemte etiketter. LabelWriter-etiketter er designet til DYMO 550/450-serien, 5XL/4XL og LabelWriter Wireless etiketprintere.
